All dogs competing in agility **must possess** an official AKC Jump Height Card. An official AKC Jump Height Card is defined as either a permanent jump height card, a valid temporary jump height form, copies of two different measuring forms (placing the dog in the same height class) dated on or after the dog's second birthday, or copies of three different measuring forms (two of which place the dog in the same height class) on or after the dog's second birthday. All dogs without jump height cards/forms must be measured/wicketed by the Judge of Record PRIOR to running in their class; this measurement will be valid for the weekend of trials only. If a Volunteer Measuring Official (VMO) or an Agility Field Rep is present, all dogs without a valid jump height card/form must be measured at some time during the trial. If the dog cannot be measured by the VMO prior to running, it must be measured by the judge before its first run.
