ENTRY INFORMATION

- No entries will be accepted by phone, fax or email.
- m Paper entries received within the first 24 hours must include postage or be metered. Entries must be delivered by multi-state or multi-national postal or carrier service, including but not limited to USPS, FedEx, UPS, and DHL. You must waive the signature requirement for delivery services, if any.
- Limit 10 entry forms per envelope.
- m All entries must be submitted on official AKC Agility entry forms and must include the signed Agreement and Rules. Photocopies of entry forms without the AKC agreement are NOT acceptable. Unsigned, incomplete or illegible entries are NOT acceptable and cannot be entered in the trial (AKC Rule CH 14, Sec 4).
- Returned checks do not constitute a valid entry. Returned check fee is \$35.00.
- m Only one dog per entry form; include only AKC titles on entries.
- For AKC Canine Partners, the dog's breed should be entered as "All American Dog", the listing number entered in the Registration # field, and "AKC No." box checked.
- If you would like confirmation that your entry was received before the trial has closed, please include your email address, or enclose a self-addressed stamped postcard.
- Owners are responsible for errors in making out entry forms, whoever may have made such errors.
- m Please check your entries! Entries cannot be changed once the trial has closed.
- Entering For Exhibition Only (FEO)
- For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes Participation in FEO is non-qualifying.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out to the scribe and the judge.

Fix and Go On (FNG)

Fix and Go On is not pre-entered; rather, it occurs during the course of the run. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

CRATING

Crating will be allowed in all normal areas. Please remember social distancing when crating. Upstairs will be open for crating also.

MOVE-UPS

Move-ups (Prior to set of trials): Accepted until 6:00 pm, Monday, July 3, 2023.

A maximum of 30 entries for each day will be placed on the wait list. Any entries received by the closing date/time that are withdrawn before the waiting list deadline will be replaced by a wait listed entry if any are available. If a withdrawn entry is replaced by a wait listed entry, a full refund will be issued for the withdrawn entry. If an entry is cancelled but cannot be replaced, the exhibitor will not receive a refund and the dog will be considered absent for the trials.
