JUMP HEIGHT CARDS – NOTE NEW RULES EFFECTIVE 1/1/10

All dogs competing in agility must **possess** an official AKC Jump Height Card. An official AKC Jump Height Card is defined as either a permanent jump height card, a valid temporary jump height form, copies of two different measuring forms (placing the dog in the same height class) dated on or after the dog’s second birthday, or copies of three different measuring forms (two of which place the dog in the same height class) on or after the dog’s second birthday. All dogs **except those jumping 24” (unless a VMO or AKC representative is present)** without permanent or temporary height cards must be measured. This measurement will only be valid for that weekend of trials only.

You are not required to show your height card or send a copy with your entry. You are required to mark on your entry form your dog’s height card status. It is the exhibitor’s responsibility to request measurement.

If the dog does not have a valid Jump Height Card or form it must be measured by a VMO, AKC Field Representative or by the judge(s) of record before it runs and failure to do so will result in the cancellation of any qualifying scores.

New Simplified Jump Height Card Process

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog needs to be officially measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the Dogs To Be Measured List. It is no longer required that you submit a copy of your dog’s jump height card with your entry form or show it during day of show check-in.

OBSTACLES AND RING CONDITIONS

Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. All classes will take place indoors on dirt. Electronic Timers and rubberized contacts and table will be used.

All entries, including wait listed entries, must be received by March 29, 2024 at 6:00 PM will be replaced by a wait listed entry if any are available. If a withdrawn entry is replaced by a wait listed entry, a full refund will be issued for the withdrawn entry. Any wait listed entry that does not move off the wait list into the trail by April 8, 2024 at 6 PM will receive a full refund.

The request for a day-to-day move up must be made to the Trial Secretary not later than the day preceding the event. All move-up entries are subject to availability of the class and payment of any difference in entry fee. It is the option of the club to allow move-ups. Dogs so moved-up will be entered at the end of the running order. Refer to Chapter 1, Section 20 of the Regulations for Agility Trials for additional move-up requirements.

Move-up forms will be available at the Secretary’s table for these trials.

WARM-UPS

Handlers in all classes are permitted to walk the course, without a dog, prior to the start of the class. The walk through period allows handlers to plan their strategy running the course and will be held prior to each class, following the judge’s briefing. A warm-up area, consisting of a regulation agility jump, shall be provided. The walk through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent.

- **Changes to Rules** – Please check your confirmation letter to see if any changes have been instated whether by the club or University of Arkansas. Please be aware that infarctions of these rules will be dealt with according to AKC regulations up to and including requiring you to leave the trial site and bench committee hearings.
- **Entering Building** - Exhibitors may not enter building until the designated time given with final confirmation or they are subject to being excused from the trial and no refund given. This includes entering lobby prior to setup time on Thursday afternoon/evening as we must respect the University and the classes taking place.

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and /or during the trial weekend.

Any mixture of Regular and Preferred classes is allowed. If a dog qualifies in Regular Master STD and Preferred Master JWW (or vice versa) on the same trial day, no double Q shall be earned toward either the MACH or PACH title. A double Q requires that qualifying runs be both in Regular or both in Preferred on the same trial day.

Also, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20 inch Master STD/JWW and entered in 24C Premier STD/JWW on the same trial day.

Separate entry forms must be submitted for Regular classes and Preferred classes, or for different jump heights entered in the same weekend. When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the first run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

Effective January 1, 2022, For Exhibition Only (FEO) and Fix and Go On are permanent components of the AKC agility program.

FEO allow exhibitors to work with their dogs in a trial environment. FEO is only offered in Time 2 Beat and FAST classes. Participation in FEO in non-qualifying. Toys are allowed in the ring. Toys must be non-audible and may not leave the handlers hand. Toys that roll freely may not be used. Food and treats are not allowed in the ring. Harsh verbal and/or physical corrections will not be tolerated. Dogs may be entered at any jump height for FEO. **FEO does not need to be noted on the entry form/ the handler will declare the day of the trial.**

Fix and Go On allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using Fix and Go On will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.

INSTRUCTIONS

Handlers may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?

I CERTIFY that I am the actual owner of the dog, or that I am the duly authorized agent of the actual owner whose name I have entered above. In consideration of the acceptance of this entry, I (we) agree to abide by the rules and regulations of the American Kennel Club in effect at the time of this event, and by any additional rules and regulations appearing in the premium list for this event, and further agree to be bound by the "Agreement" printed on the reverse side of this entry form. I (we) certify and represent that the dog entered is not a hazard to persons or other dogs. This entry is submitted for acceptance on the forgoing representation and agreement. I (we) agree to conduct myself (ourselves) in accordance with all such Rules and Regulations (including all provisions applying to discipline) and to abide by any decisions made in accord with them.
