Prizes and Awards

Rosettes will be awarded to the 1st through 4th place teams in each jump height in each class. Dogs must qualify to receive placement ribbons. Qualifying ribbons will be awarded to all dogs receiving qualifying scores.

Entering For Exhibition Only (FEO)

For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes until 7/1/24. After that date (for this trial) ~~FEO will be open for all classes.~~ Participation in FEO is non-qualifying.

FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.

Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the

start line. Day of show level changes are not allowed.

The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. When checking in at the gate board).

FEO Runs will be offered for all classes

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day.

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Waiting list

A waiting list of up to 200 runs per day will be maintained. Per Chapter 1, Section 16.1 of the Regulations for Agility Trials, a “waiting list close date” will be instituted. **The “waiting list close” will be 6 pm, Monday, before the trial.** Full refunds will be given to those exhibitors withdrawing **ONLY for the runs that are able to be filled from the waiting list.** Waiting List will be posted at: louleesshelties.com

Entry tips

- Please don't staple your check to the entry form. Use a paper clip to attach it to your entries.
- **Please circle class AND jump height. 50% of the entries coming in are missing one of these fields.**
- Please write legibly!
- Please double check the total due before writing the check. This will save the treasurer a great deal of trouble writing refunds. **Any overpayments in the amount of \$10 or less will NOT be refunded.**
- Make sure you submit both sides of the form. Your signature is required on the back of the form. **Any unsigned entries will not be accepted and must be returned.**

When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

Course Familiarization and Warm-Ups

Handlers in all classes are permitted to walk the course, without a dog, prior to the start of the class. The walk-through period allows handlers to plan their strategy running the course and will be held prior to each class, following the judge's briefing.**Jump Height Cards**

The entry form has a spot to indicate if the dog needs to be measured. If the dog needs to be measured, it is the handler's responsibility to ensure that the box on the entry form is checked, and that the dog is measured prior to running. **The jump height box on the entry form MUST be filled in.**

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If

measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running. Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?
