 For dogs 18 inches and under at the withers
 For dogs 22 inches and under at the withers

Jump Height Information

All dogs without height cards will have to be measured by the judge of record, except 24"/24C" dogs. If a VMO or an AKC Representative is available, all dogs without height cards, including 24"/24C" dogs, will need to be measured. When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog needs to be officially measured. Please check the box so that the Trial Secretary knows whether to include your dog on the *Dogs To Be Measured List*. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.

Eligible dogs may be entered in any level of ISC (Grade 1, 2, or 3). At present, there are no eligibility requirements for any level of ISC and any dog that is eligible according to the below information may run any or all levels. Day of show level changes are not allowed.

DOG ELIGIBLE TO ENTER

This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), an AKC Canine Partners listing number, or approved Foundation Stock Service (FSS) breeds are eligible to participate.

Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Wherever the word "dog" is used in these regulations it includes both sexes.

Dogs should be physically sound. Dogs that are blind shall not be eligible, and neither are bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate. Puppies under four (4) months of age are strictly prohibited from the trial grounds.

BIS will be ALLOWED to run in this trial, and may not wear panties, pants, or diapers at any time while on course. They will run in the original running order and must be started on a mat PROVIDED BY THE EXHIBITOR. BIS will be required to wear panties in the building and have them removed right before entering the ring for their run.

OBSTACLES AND RING CONDITIONS

Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. Per AKC revisions, effective February 1, 2023, FCI style broad jump will be used at this event. FCI tire heights will be used at this event. The equipment is provided by The Knoble Dog. A warm-up area, consisting of a regulation agility jump, will be provided for exhibitors. All classes will take place indoors on dirt. Ring size is 125 x 69.

Mixed Height Entries

Exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. A dog may only be entered once in each class offered. They may not enter a class in both Preferred and Regular.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day. Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry forms for the same dog as if only **one form had been filled out**. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

ENTRY REQUIREMENTS FOR INTERNATIONAL SWEEPSTAKES CLASS (ISC)

Purpose: The International Sweepstakes Class (ISC) is a non-regular class providing the dog and handler an opportunity to demonstrate their advanced training and handling skills on various International Style Standard and Jumpers with Weaves courses. The rules for this class are generally based on international rules. The variety in International Agility course designs is very diverse, so handlers should be prepared to meet the "Challenge of the Day" when competing in the ISC class. The total challenge level may be easier, more difficult, or simply different from what is currently allowed in Excellent/Master Class. Complete rules for the ISC are available from the AKC Website (<https://www.akc.org>).

Eligibility: ISC classes are open to dogs that are eligible to compete in AKC agility trials. There is no Preferred Option for ISC; *dogs may enter at their preferred jump height, however they will be scored against the regular division dogs jumping the same jump height.*

Jump Heights: DOGS MAY BE ENTERED IN THEIR REGULAR JUMP

HEIGHTS, however, only those dogs running in the 12", 16", 20" and 24" class that meet the FCI/ISC measuring cutoff (different than regular AKC cutoffs) may use their clean run toward the required qualification toward entering WTT or EOTT. Please see the 2022 EO/AWC Tryout Rules for further details.

The FCI/ISC cutoffs for those heights are as follows:

- Small (12" jump height) – for dogs measuring 13 ¾" or less at the withers
- Medium (16" jump height) – for dogs measuring more than 13 ¾ " and up to 16 7/8" at the withers

- Intermediate (20" jump height) – for dogs measuring more than 16 7/8" but less than 18 7/8" at the withers.
- Large (24" jump height) – for dogs measuring over 18 7/8" at the withers

EO/WORLD TEAM TRYOUT QUALIFICATIONS

Clear ISC Agility (Standard) and JWW (Jumpers with Weaves) rounds from any level can be used to fulfill the requirements for the Team USA European Open Team Tryouts. Clear rounds from Levels 2 and 3 can be used to fulfill the requirements for Team USA Agility World Championships Tryouts. Dogs must jump at their international height for ISC scores to count toward Tryouts Qualifications.

Entering For Exhibition Only (FEO)

- FEO may be offered at the option of the host club and since this is an ISC Only event, FEO is available for every ISC run at this trial. FEO will allow exhibitors to work with their dogs in a trial environment. Participation in FEO is non-qualifying.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out to the scribe and the judge.

Fix and Go On (FNG)

Fix and Go On is not pre-entered; rather, it occurs during the course of the run. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

ENTRY FEES PER DAY
