AKC Class Changes

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Fix and Go On (FNG)

Fix and Go On allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using Fix and Go On will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.

The AKC is committed to creating a safe and respectful sport environment for all. If you need to talk to someone or need help, please call 800-656-HOPE (National Sexual Assault Hotline) or text HOME to 741-741 for free, 24/7, confidential services from trained crisis counselors.

Entering For Exhibition Only (FEO)

FEO allows exhibitors to work with their dogs in a trial environment. FEO is offered in all classes. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring. Toys must be non-audible and may not leave the handlers hand. Toys that roll freely may not be used.
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

Effective July 1, 2024, the fault call scored for an FEO run shall be changed from Excused ("E") to Absent ("ABS"). Scribes should continue to write "FEO" on the scribe sheet; however, the Score Table shall now enter that run as an Absent run.

In doing so, the Defeated Dogs report used by Breed Specialty clubs will no longer have FEO runs in their Number of Dogs Entered calculations nor will FEO runs affect calculations where Number of Dogs Competing are involved, such as calculating Premier Top 25% counts.

This change is for all classes: Standard, Jumpers With Weaves, FAST, Time-2-Beat, Premier Standard, Premier Jumpers, ISC Agility, ISC Jumping, ACT and ACT J.

The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions.
Dogs running in a lower height division than they are eligible for will be eliminated

HEIGHT DIVISIONS

Regular	Preferred	Height at Withers
Handlers may opt to run their dog in a higher height division	Handlers must run their dog in their proper eligible height	Owners are responsible for entering their dog in the proper height division
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers
24C"	n/a	Dogs who measure into the 8" thru 20" regular jump height divisions may opt to enter the 24-Choice height division at their owner's discretion. Dogs who measure into the 24" regular jump height division may not enter 24-Choice

MEASURING and HEIGHT CARD INFORMATION

Dogs without a valid Jump Height Card must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" height division. As well, if a **Volunteer Measuring Official (VMO)** or an **AKC Agility Field Rep** is present **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the loss of any qualifying scores earned prior to being measured at that trial or cluster of trials. Please indicate in the appropriate section on the entry form if your dog requires a measurement.

DOG ELIGIBLE TO ENTER

This trial is open to all dogs fifteen (15) months of age and older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), an AKC Canine Partners listing number, or approved Foundation Stock Services (FSS) breeds are eligible to participate.

Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Whenever the word "dog" is used in these regulations it includes both sexes.

Dogs should be physically sound, Dogs that are blind shall not be eligible, and neither are bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate. Puppies under four (4) months of age are strictly prohibited from the trial grounds.

COURSE WALK-THROUGHS AND WARM-UP INFORMATION

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings, may request to walk with a height group other than the one their dog is entered in if a conflict is imminent.

A warm-up area, consisting of a regulation agility jump, may be provided for exhibitors.

Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine PartnersSM** program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.
